			It is a festival that marks the preparation for
16-Feb	Tuesday	Vasant Panchami	the arrival of spring

MARCH

It is a global day celebrating the social, economic, cultural and political achievements of women. The day also marks a call to action for accelerating gender parity. Monday Day				
International Women's of women. The day also marks a call to action for accelerating gender parity. The goal is to celebrate the benefits of good and healthy sleep and to draw society's attention to the burden of sleep problems and their medical, educational, and social aspects, and to promote the prevention and management of sleep disorders. Participants observe the day by promoting the basic rights of all consumers, demanding those rights are respected and protected, and protesting about the market abuses and social injustices which undermine them. It is celebrated to recognise happiness as a "fundamental human goal" and call for "a more inclusive, equitable and balanced approach to economic growth that promotes the happiness and well-being of all peoples". It is celebrated with the aim of supporting linguistic diversity through poetic expression and increasing the opportunity for endangered languages to be heard World Poetry Day World Water Day is a day that highlights the importance of freshwater. The day is used to advocate for the sustainable management of freshwater resources. It is an initiative to encourage individuals, businesses and governments around the world to take accountability for their ecological footprint and engage in dialogue and resource exchange that provides real solutions to our environmental challenges Holi is considered as second biggest festival on Hindu Calendar after Diwali.It's also know				It is a global day celebrating the social,
